

## AIM North America Membership

As the premier source of industry support for the automatic identification market, AIM North America delivers access to information and cutting-edge solutions to grow your business.

**Resellers, integrators, manufacturers, distributors, and consultants** are provided marketing tools, resources to generate leads, and educational opportunities that can increase sales and maximize profits.

**Sales leads** – Potential customers submit Requests for Proposals on the AIM web site. AIM members have exclusive access to these searchable leads through a unique member login. Average 10-15 leads per month, with approximately 60% in North America.

**Inclusion in the AIM online searchable Buyer's Guide** with your company description, products and services offered, and contact details. This resource is widely used by potential customers to locate all types of AIM solutions, products, and services.

**Company Listing on the AIM North America and AIM Global web sites** with a link to your company home page. Average number of monthly visitors to AIM web sites is 100,000.

**Free Subscription to The Competitive Edge, AIM Connections, and RFID Connections** e-newsletters.

**Networking opportunities** via regional events provide members the chance to establish business partnerships with vendors and potential customers.

**Webinars** conducted periodically online on such educational topics as the state of the industry, vertical market opportunities, bar code, POS, healthcare, UID, RFID, and other mobile computing technologies.

**Discounts** on advertising, publications, educational materials and standards located in the AIM Store; electronic subscriptions to *SCAN: The Data Capture Report*; *PR Newswire* services; *teleconferencing, e-marketing development and distribution*, and *Academia RFID* training and certification opportunities.

**Preferred member pricing** on select educational events, Webinars, and trade shows produced or sponsored by AIM or AIM partners.

**Recognition** as an industry leader via participation in the industry association and display of the "Member of AIM North America" logo.

**Exclusive advertising opportunities** available only to members.

**Speaking opportunities** for knowledgeable members to reach end user audiences.

**Access to "Members' Only" section of the AIM web site.**

## Manufacturer Membership
